Notes:

Note: The APUS Baccalaureate Degree Health Information Management Program is in Candidacy Status, pending accreditation review by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM).

*Credit variances in academic placement and credit award can occur based on student course selections and on the APUS' catalog program requirements .

†Per APUS' General Education Block policy, the student's APUS General Education requirements (excluding Required) will be fulfilled on the merit of a conferred Associate of Arts or Associate of Science degree. As the amount of transfer credit may not exceed the sum of transferrable credit the student earned, the amount of transfer credit applicable to the Electives will be reduced by the sum of General Education Block credit awarded.

Note: In order to transfer courses to APUS, the student must earn a grade of "C" or better.

**Any transferable course not counted toward General Education or Major requirements may be taken. Please note, courses such as developmental, practicum, internships, clinical, and vocational courses are not transferable.

***Prerequisite: Senior Standing and completion of all major courses prior to enrollment.
