

COMMENCEMENT

2025

Dear Graduates,

On this significant day, I hope that you recognize your achievement and enjoy it with those family members and friends who are close to you.

The day that all of you chose to study with American Public University System (APUS) marked the first step in the start of an exciting new chapter in your lives. This conscious choice to embark on your academic journey is often called the “butterfly effect,” where small changes in initial conditions can lead to vastly different results.

Today, we celebrate not only the day that you began but also the journey that you, along with 153,000+ other graduates, experienced to complete your degree. Now, we welcome you to the esteemed ranks of our American Public University (APU) and American Military University (AMU) alumni community.

As the son of first-generation parents, I understand how education can change your life, the lives of your family, the lives of future generations, and the communities around you. I urge you to see this day as the start of a new journey, and we wish you good luck for this new phase as you strive to achieve your professional goals.

At APUS, we are grateful for the trust you placed in us to facilitate your transformation; it has been an honor to support you on your academic journey. We share in your joy and stand ready to assist you should you decide to pursue further studies in the future.

We hope that you stay in touch with our alumni community and look forward to hearing about your future successes.

Congratulations to the Class of 2025!

Sincerely,

A handwritten signature in white ink, reading "Nuno Fernandes", is placed over the text of the letter.

Nuno Fernandes
President
American Public University System

TABLE OF CONTENTS

1 Ceremony Order of Events

MORNING CEREMONY:

School of Arts, Humanities & Education;

SPEAKERS

DR. MARY A. PAPAZIAN

EXECUTIVE VICE PRESIDENT OF THE ASSOCIATION OF GOVERNING BOARDS OF UNIVERSITIES AND COLLEGES

MORNING CEREMONY

Dr. Mary A. Papazian is a seasoned higher education leader with over 35 years of experience as a professor, provost, and president. She was appointed to the APUS Board of Trustees in June 2024.

Dr. Papazian currently serves as Executive Vice President of the Association of Governing Boards of Universities and Colleges. In this position, she is the primary thought leader on board governance and integrates AGB's thought leadership throughout the association's resources and services.

Previously, Dr. Papazian served as the interim CEO of the Business-Higher Education Forum and the 30th president of San José State University (SJSU), Silicon Valley's public university of 38,000 students. She has also been the president of Southern Connecticut State University (SCSU).

In addition, Dr. Papazian has served as the Provost at Lehman College (CUNY), Dean of the College of Humanities and Social Sciences at Montclair State University (NJ), and Associate Dean of the College of Arts and Sciences/professor of English at Oakland University (MI).

Throughout her career, Dr. Papazian has served on several volunteer boards, including Higher Education Resource Services (HERS), Business Higher Education Forum (BHEF), Foundation for Armenian Science and Technology (FAST), and the NCAA Board of Governors and Division I Presidents' Council. Her other volunteer board work has included the Association of Public and Land Grant Universities (APLU), Urban Serving Universities (USU), Association of American Colleges and Universities (AAC&U), the Bay Area Council, the Silicon Valley Leadership Group, and Joint Venture Silicon Valley. She is currently on the Board of Trustees of Haigazian University in Beirut, Lebanon.

Dr. Papazian holds a Bachelor of Arts, a Master of Arts, and a Ph.D., all in in English Literature, from the University of California Los Angeles (UCLA).

LIEUTENANT GENERAL LORI E. REYNOLDS

RETIRED – U.S. MARINE CORPS

AFTERNOON CEREMONY

Lieutenant General Lori E. Reynolds (Retired – U.S. Marine Corps) currently serves as the Vice Chair of the Board of Trustees, and she has been a Board member since June 2022.

Ms. Reynolds has commanded Marines at every rank over the course of her distinguished, 35-year career. Her career has included serving as a General Officer in command at the Eastern Recruiting Region/Marine Corps Recruit Depot in Parris Island, SC, and as commander of the Marine Corps Forces Cyberspace Command at Fort Meade, MD.

In her last assignment, she served as the Deputy Commandant for Information, where she introduced the new warfighting function of Information, combining information technology, cyberspace, space, intelligence, and influence capabilities. She concurrently served as Deputy Department of the Navy (DON) Chief Information Officer (CIO) for the Marine Corps and as Commander of the Marine Corps Forces Strategic Command and Marine Corps Forces Space Command.

Ms. Reynolds currently serves on the Board of Directors for U.S. Bancorp, where she is on the Risk Management Committee, the Cybersecurity and Technology Subcommittee, and the Public Responsibility Committee. She is also on the Federal Advisory Board for Lynk Global, Inc.

Ms. Reynolds is a Professor of Practice at the Naval Postgraduate School, where she is filling in as the Department of the Navy's Chief Information Officer Information Chair.

Ms. Reynolds has a Bachelor of Science in Political Science from the United States Naval Academy, a Master of Arts in National Security and Strategic Studies from the Naval War College, and a Master of Arts in National Security Policy Studies from the Army War College. She has also participated in an executive education program at the University of North Carolina's Kenan-Flagler Business School.

MR. SETH CASEY

BACHELOR OF ARTS, MANAGEMENT, AMU

MORNING CEREMONY

Seth Casey joined the U.S. Air Force at 23 and frequently found himself in leadership positions. Realizing the enjoyment he gained from helping others reach their goals and guiding them through their challenges, Seth realized that he wanted his career to involve managing people. This realization led him to the decision to enroll in American Military University's Bachelor of Arts in Management program.

Seth completed his program with a 3.89 GPA and received his diploma in September 2024. In the future, Seth plans to take the knowledge he gained from AMU and compound it with a cybersecurity degree that he will finish in September 2025. His management and cybersecurity knowledge will help to give him the necessary tools to start in a demanding field and effectively lead in any role.

Once Seth finishes his educational journey, he aims to center his life even further around his family. He plans to make up missed date nights with his wife and be ready to make a fort as soon as his daughter is old enough. Seth hopes that his efforts over the last few years will serve as an example for his daughter as she gets older to chase after what she wants and be willing to make the sacrifices necessary to reach those goals.

DR. KRISTINA-AMY JEAN-MEHU

MASTER OF PUBLIC HEALTH, APU

AFTERNOON CEREMONY

Dr. Kristina-Amy F. P. Jean-Mehu graduated with a Master of Public Health and a 3.9 GPA from American Public University in February 2025. Her passion for disease prevention and health promotion began in the fall of 2013 during her medical internship, where Kristina-Amy observed significant health inequalities and inequities among underserved populations. She witnessed firsthand how inadequate health awareness and education negatively impacted health outcomes.

Inspired by this experience, Kristina-Amy contributed to the design and implementation of various disease prevention and health education programs. She authored the book “Personal Care & Sexual Education” for teenagers, co-authored a health resource booklet on natural remedies, and collaborated on an advanced first aid training certification program. Through these initiatives, she aimed to bridge critical knowledge gaps by creating accessible and practical health resources.

Kristina-Amy is committed to a career in public health, and she focuses on areas such as health promotion, disease prevention, community outreach, advocacy, and health policy. In her free time, she enjoys singing, listening to music, and crafting handmade artisanal cosmetic products.

CHAPTER OF THE YEAR

Student Veterans of America

CHAPTER ADVISOR OF THE YEAR

Loren Rovere
Student Veterans of America

CONGRATULATIONS, GRADUATES!

Welcome to your alumni community, where you share a special worldwide connection with over 153,000 fellow AMU and APU alumni! The Office of Student and Alumni Affairs is honored and excited to share this accomplishment with you during the 2025 Commencement.

Your journey doesn't end here! As you take steps forward, we hope you stay connected to the University community through continued engagement. Participation could be as simple as activating your alumni profile in the [University Directory](#), allowing students and alumni to connect with you.

We also have a host of alumni engagement programs. Consider serving as a mentor, representing your academic school on the Alumni Advisory Council (AAC), volunteering as a campus leader, joining a student organization, or helping us amplify our AMU and APU brands as a Social Influencer or University Ambassador!

There are several benefits and services available to you and accessible through your ecampus, including:

ACADEMIC RESOURCES

- Lifelong access to the University Library
- Links to select your next program
- Transcript orders
- Contact information for service departments

CAREER SERVICES

- One-on-one job search assistance and self-directed resources, including Virtual Career Fairs, employer information sessions, and job search workshops
- CareerLink, the University's job board, which serves as a resource hub, provides access to events, and so much more

NETWORKING AND ENGAGEMENT

- Peer networking and mentoring
- Volunteer leadership and community service initiatives
- Alumni organizations and events
- University social media links

ADDITIONAL DISCOUNTS AND BENEFITS

- The Campus Store – grab your alumni swag today!
- The alumni affinity and discount program, Abenity

The Office of Student and Alumni Affairs will be reaching out periodically to check in, but we hope you will continue to tell us about your promotions, honors, and life milestones through the [Share Your Milestones form](#). Your story is an important part of ours, and we are proud of you!

Once again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with the University. We wish you the very best in your future endeavors, and as always, we are only a phone call or email away.

Dr. Amanda Wilson-Echeverria

Associate Vice President | Student and Alumni Affairs

The Class of 2025 graduates are required to complete all degree requirements and have their degree conferred by the University System in order to be considered a graduate of American Public University System. At the time of publication, Latin Honors cannot be calculated for undergraduates in the June and August 2025 conferrals and are not denoted in this publication. Effective June 1, 2019, University Honors are no longer denoted. In addition, if your graduation application was received after April 1, your name may not appear in this printed publication.

Inclusion in this publication does not constitute that all requirements have been met for degree completion and therefore does not mean conferral or graduate designation has been achieved.

If you have questions about your degree status, please contact the Office of the Registrar at graduations@apus.edu.

THINK GREEN

American Public University System is dedicated to sustainable practices. In keeping with the University's sustainability practices, we're significantly reducing our paper consumption during Commencement 2025 by providing a digital program for graduates and their guests to view during the ceremonies. The 2025 Commencement program with a full list of graduate names will be available for viewing, downloading, and printing from our Commencement websites.
